STATEMENT OF WORK
BLANKET PURCHASE AGREEMENT FOR HOTEL AND TRANSPORTATION
SERVICES FOR INL/KOSOVO OFFICIAL VISITS AT U.S.

PART I: GENERAL INFORMATION

A. Background

The Bureau of International Narcotics and Law Enforcement Affairs (INL) is responsible for the development, supervision, coordination, and implementation of international narcotics control assistance activities and international criminal justice issues for the U.S. Department of State (DOS). INL is mandated to furnish assistance to countries and international organizations in stabilizing post-conflict societies and strengthening democracies through the institutional development of criminal justice systems. INL's authorities are found in Chapter 8, Part I of the Foreign Assistance Act of 1961, as amended.

B. Introduction

The U.S. Department of State, Bureau of International Narcotics and Law Enforcement U.S. Embassy in Kosovo (INL/Kosovo) will award a blanket purchase agreement for hotel accommodation and transportation services of Kosovan officials, interpreters, and U.S. Government staff participating in various training and conferences. Locations of the venue, number of participants, and travel dates will vary, and the contractor will be informed at least one month in advance for the dates, hotels required, number of participants that will need to be accommodated, and if transportation services will be required.

C. Justification for Blanket Purchase Agreement

In accordance with FAR 8.405-3 Blanket purchase agreements for proposed orders or BPAs with an estimated value exceeding the simplified acquisition threshold (250K), the justification required by paragraph (c) of this section.

INL/Kosovo supports more than 150 Kosovo Government officials attending different trainings, conferences, and/or study tours. The largest group will be no more than 25 people and the smallest will be 2 people.

Procuring rooms for such delegations creates difficulties since credit cards are required for all rooms procured and Government Travel Cards are not authorized for procuring /booking hotel rooms. Initiating single procurement requests for all these venues independently results in unnecessary delays in identifying a vendor and completing all procurement procedures in time with the uncertainty of the quality offered by the vendor.

D. Scope

CLIN 001: Accommodation services

1. The Contractor will be responsible to procure up to 150 rooms per year at different dates and in different states in the **United States**. It is very important that lodging is offered within the per diem rate. INL/Kosovo will inform the contractor of the rate for the location required. The Contractor will reserve and pay all hotel fees and lodging taxes for travelers within rates established by GSA. The Contractor shall work with INL/Kosovo to determine which hotel works best for each individual trip; when needed, the Contractor shall make necessary changes to hotel reservations for travelers.

Offeror shall provide a cost per person for booking the hotel rooms. Travelers will be informed that any additional fee on top of actual cost per night and associated taxes will be responsibility of the traveler.

The Contractor shall inform INL/Kosovo for hotel cancellation policies. If INL/Kosovo cancels rooms and the Contractor is not charged, the Contractor should not invoice. In case of any cancellation penalty, that should be indicated in other direct costs.

CLIN 002: Ground transportation services

2. The Contractor will be responsible for procuring transportation services in up to 15 different locations and dates per year. The Contractor will be required to arrange local daily ground transportation at the location of traveler, to include airport transfers and daily transportation to and from events, meetings, training and/or conferences. INL/Kosovo will inform the Contractor of the number of participants that will need transportation services. The Contractor will be responsible for pickup and drop-off, transport, pick-up, parking (including costs), and waiting at or near meeting locations between stops.

The Contractor shall submit a cost per person/delegation to provide this service.

CLIN 003: Conference facilities

3. The Contractor will reserve and pay for conference rooms or facilities, and related services when required. The Contractor shall submit a cost per person to provide this service.

CLIN 004: Travel insurance

4. The Contractor will pay all travel insurances for travelers when required and then seek reimbursement from the INL/Kosovo. In coordination with INL/Kosovo, the Contractor will be informed what type of insurance is required. INL/Kosovo will send names **two weeks** in advance for health insurance purchase.

CLIN 005: Conference/Registration fees

5. When required, the Contractor will register travelers and/or pay all conference or registration fees required for travelers and seek reimbursement from INL/Kosovo.

CLIN 006: Administrative fee

6. The Contractor will charge INL/Kosovo an administrative fee for all arrangements. The rate should be a fixed-firm rate and should not change during the year.

CLIN 007: Other Direct Costs

7. Any other direct costs should be identified to and pre-approved by INL/Kosovo.

(iii) The Government will evaluate offers in accordance with the policies and procedures of FAR [part 25](#). For line items covered by the WTO GPA, the Government will evaluate offers of U.S.-made or designated country end products without regard to the restrictions of the Buy American statute. The Government will consider for award only offers of U.S.-made or designated country end products unless the Contracting Officer determines that there are no offers for such products or that the offers for such products are insufficient to fulfill the requirements of the solicitation.

(h) *Certification Regarding Responsibility Matters (Executive Order 12689)*. (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals—

(1) ☐ Are, ☐ are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) ☐ Have, ☐ have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(3) ☐ Are, ☐ are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) ☐ Have, ☐ have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds the threshold at [9.104-5\(a\)\(2\)](#) for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(i) *Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126).* [The Contracting Officer must list in paragraph (i)(1) any end products being acquired under this solicitation that are included in the List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor, unless excluded at [22.1503\(b\)](#).]

(1) *Listed end products.*

[The contracting officer is to check a box to indicate if paragraph (k)(1) or (k)(2) applies.]

(1) Maintenance, calibration, or repair of certain equipment as described in FAR [22.1003-4](#)(c)(1). The offeror ☐ does ☐ does not certify that–

(iv) The compensation (wage and fringe benefits) plan for all service employees performing work under the contract is the same as that used for these employees and equivalent employees servicing commercial customers.

(3) If paragraph (k)(1) or (k)(2) of this clause applies–

(i) If the offeror does not certify to the conditions in paragraph (k)(1) or (k)(2) and the Contracting Officer did not attach a Service Contract Labor Standards

wage determination to the solicitation, the offeror shall notify the Contracting Officer as soon as possible; and

(ii) The Contracting Officer may not make an award to the offeror if the offeror fails to execute the certification in paragraph (k)(1) or (k)(2) of this clause or to contact the Contracting Officer as required in paragraph (k)(3)(i) of this clause.

(l) *Taxpayer Identification Number (TIN)* ([26 U.S.C. 6109](#), [31 U.S.C. 7701](#)). (Not applicable if the offeror is required to provide this information to the SAM to be eligible for award.)
